The Melusina Cup is supposed to be a leisure tournament. This is the reason why we have some participation restrictions. At all time, participating teams have no more than two first league players in the water (Female participation is not restricted). Possible exceptions can be made for invited teams of equal strength. All teams may register up to 15 players. The team formation can be modified from game to game.

All players must be able to present a valid license as well as a sports medical examination (not older than 1 year). These must be presented during the introduction meeting. In addition, underage players need a signed parental consent to be permitted to participate.

4. Rules

The games will be played according to the current international CMAS regulations. The tournament director will be defined on the day of the tournament. Any deviation from the rules (game, penalty and time-out duration) will be announced during the team meeting before the beginning of the tournament and will be determined by the game mode and number of teams.

5. Game mode

The game mode will be determined by the number of registered teams. 10 teams will be accepted to participate. The tournament schedule will be made available on the tournament homepage and per email a few days before the tournament.

6. Referees

All teams must provide at least two referees. The compensation fee will be 30€ per referee. Scuba tanks, regulators and weight belts will be provided by the organizers. Referees will need to bring their own wetsuits and BCDs.

7. Catering

Food and drinks can be purchased in the Swimming pool bistro during the tournament. Self-catering is permitted.
